

LANZAROTE

2017

*A photographic and inspirational journey
on the youngest volcanic island of the Canarias,
where the origin of life finds itself in bizarre landscapes
and creates daily its own pieces of art.*

☺ Welcome on Lanzarote, where the origin of life reveals daily its artistic expressions. ☺

Inviting and playful view of clouds to the neighbor island La Graciosa from the Mirador del Rio, which was created by César Manrique – May 2016

☺ Withdraw yourself in your cave. Gain silence, clarity and focus in the mirror of your self. ☺

An untouched lake in the underground lava caves and courses of the Cueva de los Verdes makes it hard not to mix up and down – May 2016

☯ Enlarge consciously the part of your circle of life, which only you are able to influence. ☺

At a lonesome beach in front of Orzola probably human hands have lovingly placed meditative circles made of lava stones – May 2016

☺ Say yes to each obstacle on your ways to your personal summit as a learning process for maturity. ☺
Near Tahiche stands the foundation of the exceptional artist César Manrique, who has given Lanzarote his creativity in many ways – May 2016

☺ Blossom in full splendor and attract those, who appreciate your uniqueness. ☺

In the Jardin de Cactus is a fantastic collection of cacti from all over the world, which forms and colors only trigger amazement – May 2016

☺ Water, sun, wind and earth are the elixirs of any kind of life. Use them as your sources of strength. ☺
A narrow trekking path through the lava field of El Golfo in the direction of Timanfaya NP bestows spectacular and divine moments – May 2016

☺ Free the longings inside of you and let yourself enchant by their magic powers and beauties. ☺

The residential building of César Manrique in Haria is full of the stylish treasures and furnishings of this artist and bon vivant – May 2016

☺ Be aware - despite full throttle and determination - that the streets of life also have surprising curves. ☺
On the drive to the touristic-free surfer bay of Caleta de Famara a new road surface entice to an unnecessary stepping on the gas – May 2016

☺ Lose your control once a while to allow the elemental forces of your being to break out. ☺
The lighthouse of Playa Blanca is located at the southern tip of Lanzarote, where one can watch the play of the waves for hours - May 2016

☺ Overcome again and again your mental limits. Life is a joyful, glamorous adventure. ☺

Straight beneath the idyllic and culinary fishing village El Golfo lies the green lagoon, which always keeps new surprises ready – May 2016

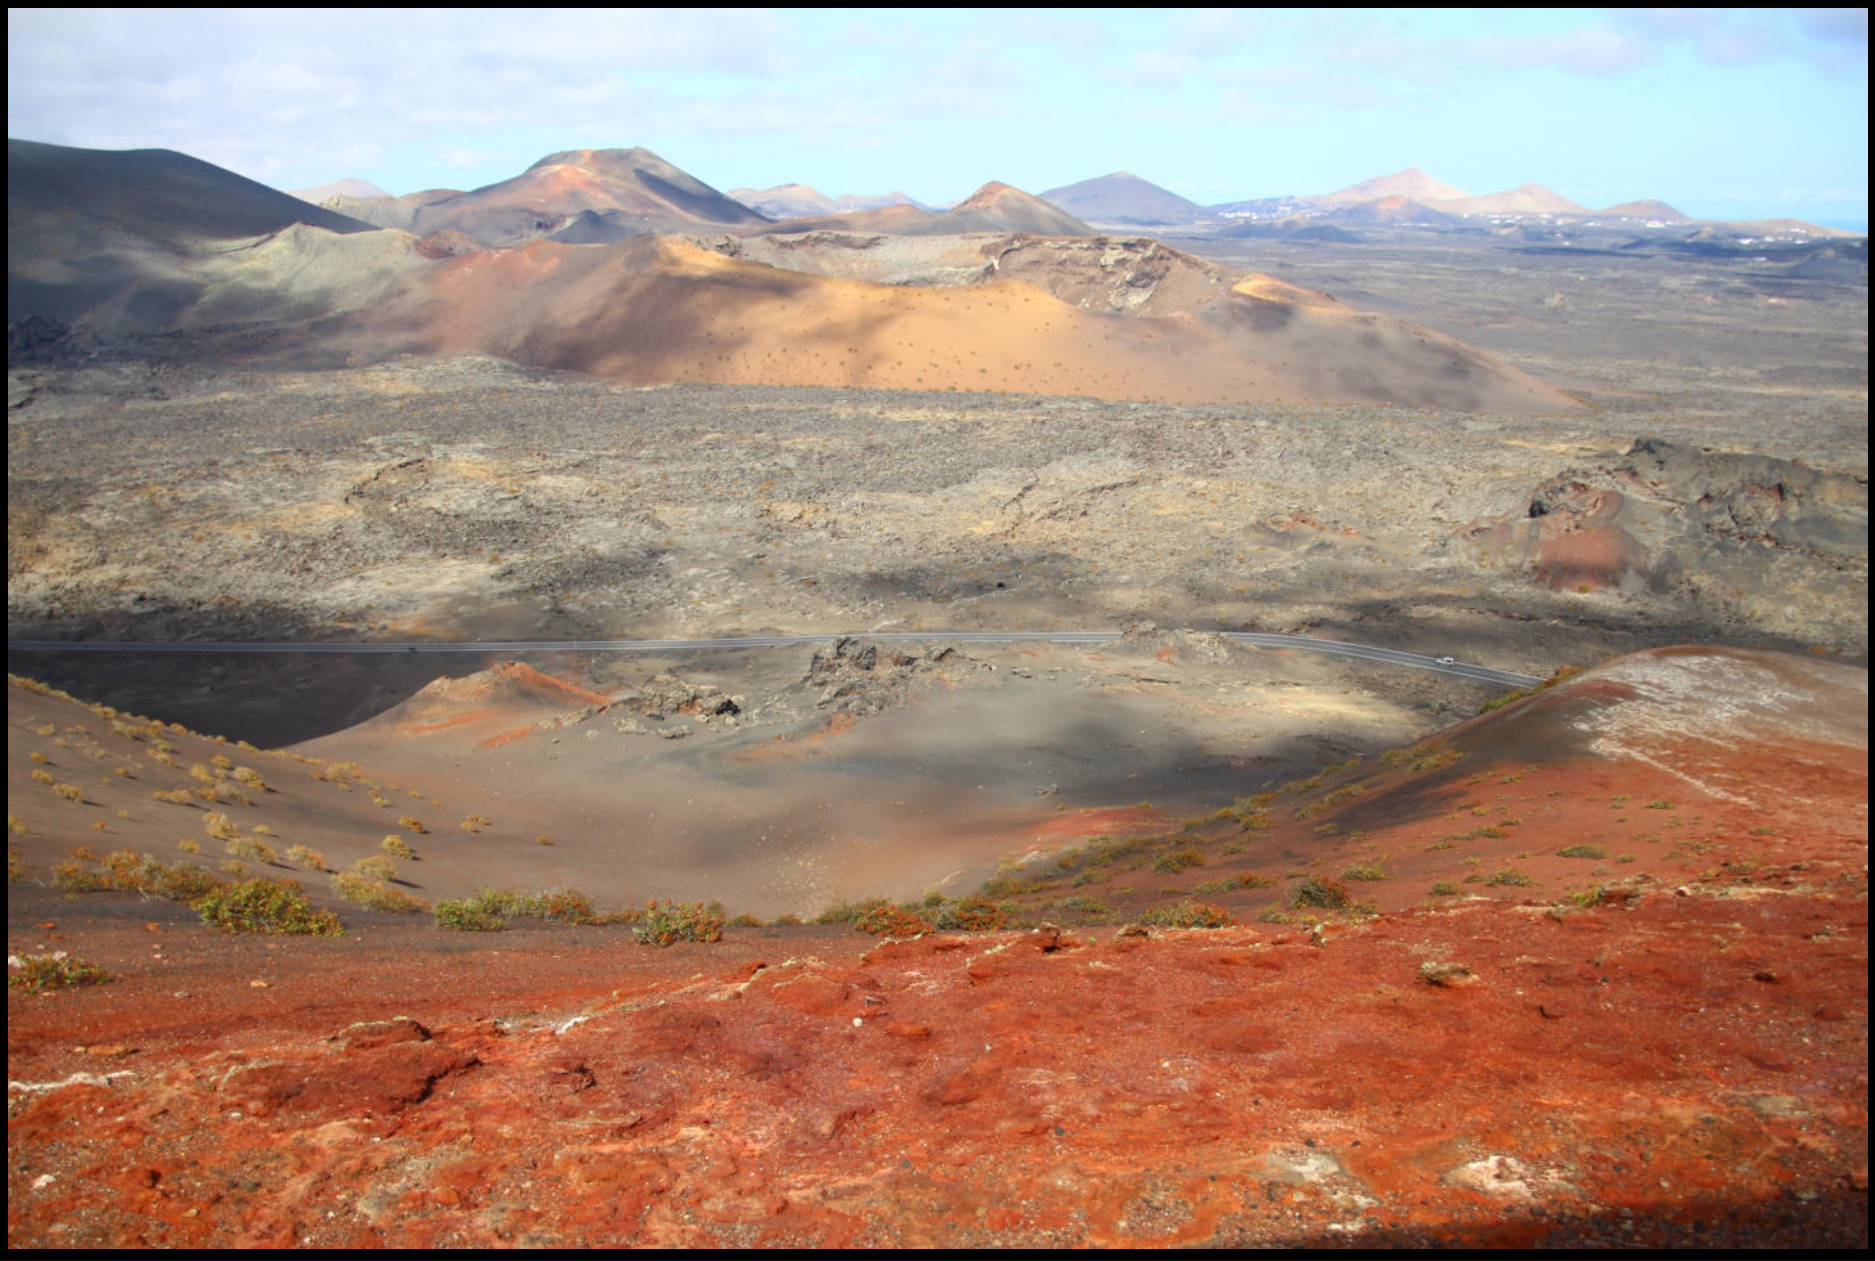

☺ Make use of each day's end to ensure: Yes, today I have lived fully from the heart. ☺

The hardly accessible but heavenly Playas de Papagayo empty abruptly when the sun sends its last day greeting – May 2016

☯ Stay in touch with your inner resources and connect yourself with your outer energy sources. 😊

A kite surfer enjoys calmly with many other colleagues the always roaring surf at the beach of the village Famara – May 2016

☯ Practice humility. Nature and universe are more powerful and greater as humans will ever be. 😊
The so called fire mountains in the national park Timanfaya show the unique feature of this island – May 2016

☺ In times of powerless-, sad- and hopelessness find the way, which leads you home. ☺

Bonus Picture: A South Sea like beach studded with black stones of lava before Orzola arouses in everyone a special holiday feeling – May 2016

THANK YOU

for Your

TIME
