

ANDALUCIA

2011

*A photographic, philosophical and inspirational journey
through a region in Spain,
where not only bloody history tells about
architectonical and cultural master performances.*

☺ Welcome to Andalusia, where historical places and endless beaches have created diverse customs. ☺

View from the architect's gardens (Generalife) on the world famous Alhambra, floating above the city of Granada – September 2010

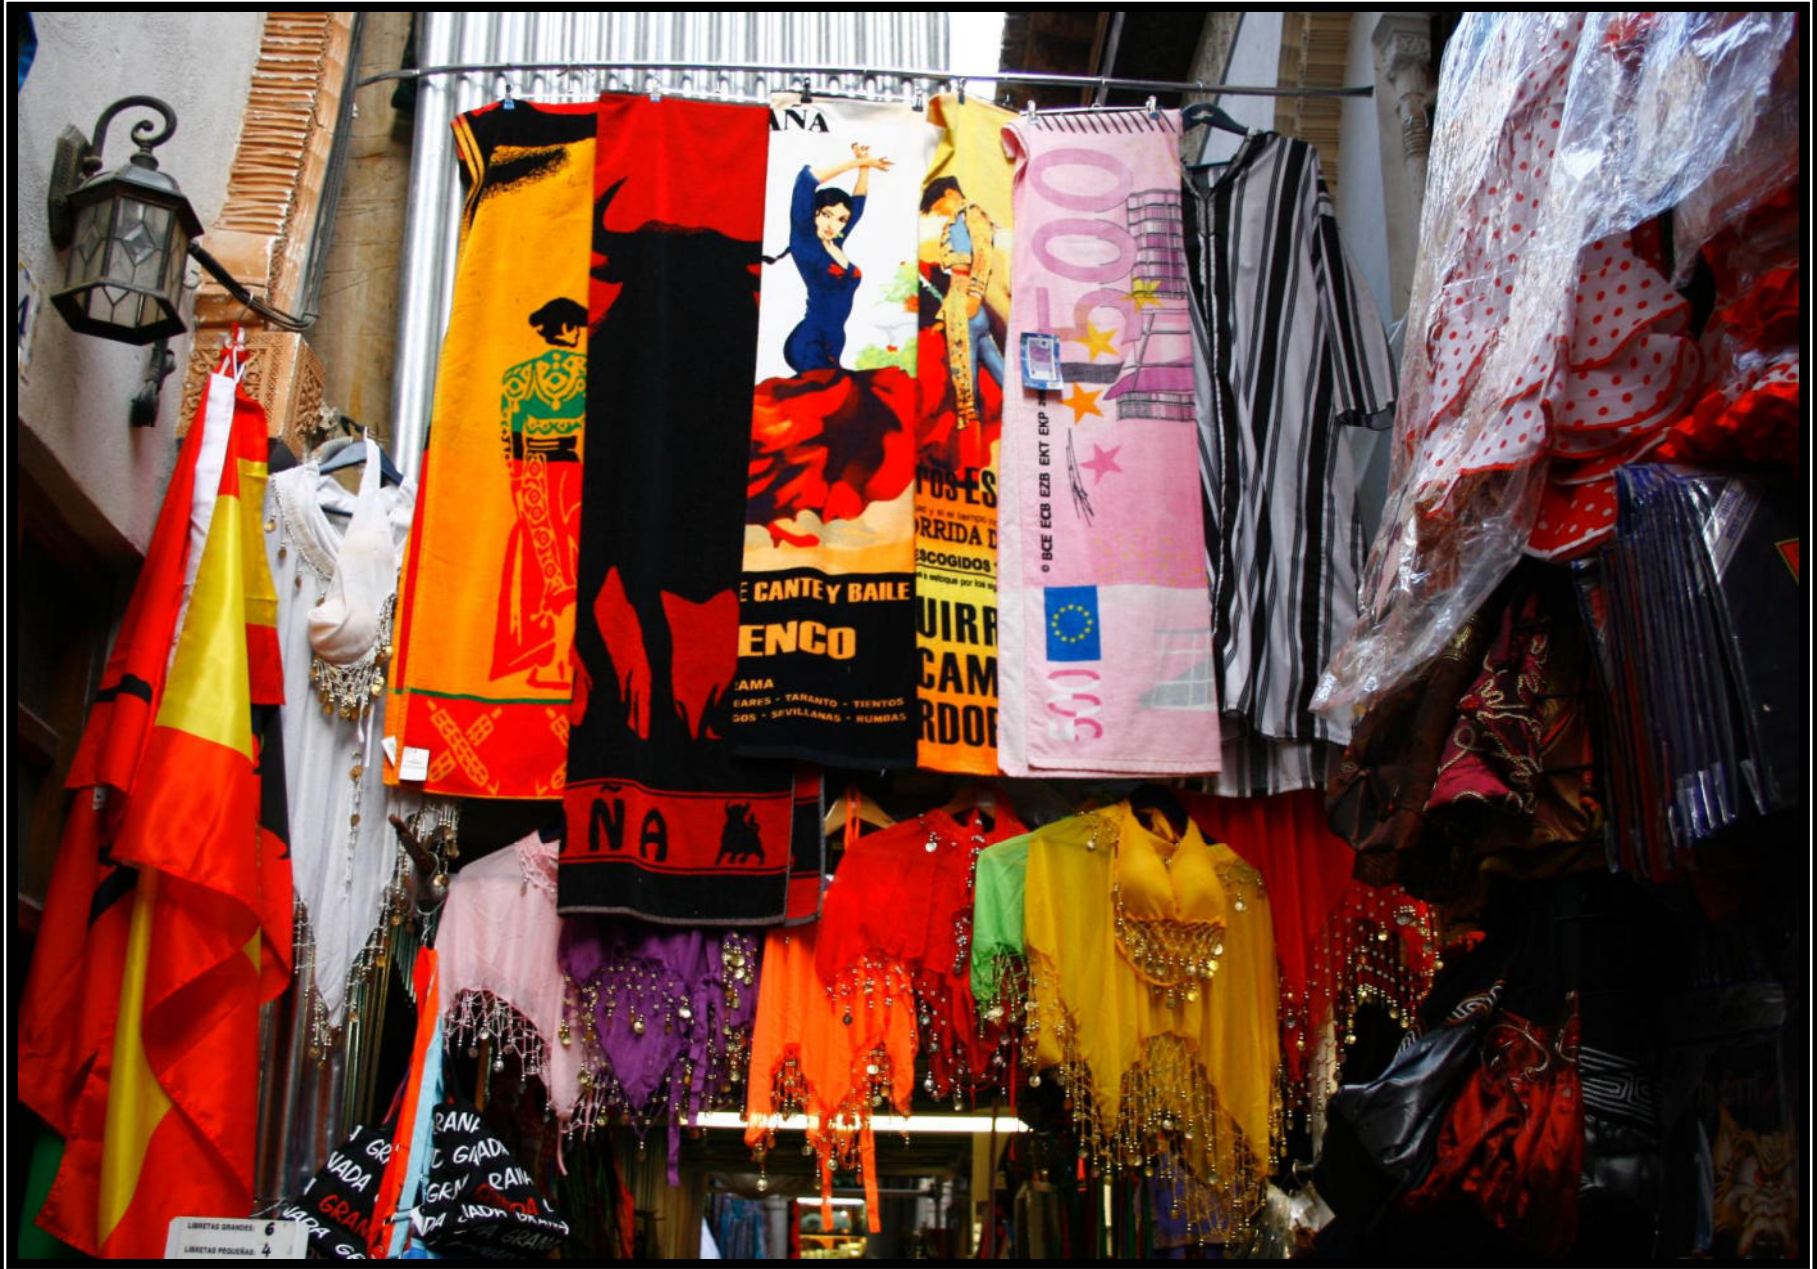

☯ Make use of all your insights, in order to float easily like stones in the waves of life. ☺
