

# SERBIA

## 2008

*A photographic and philosophical journey through  
a strategic important country in the East,  
which still has many unknown and natural secrets  
to discover while finding inner peace.*

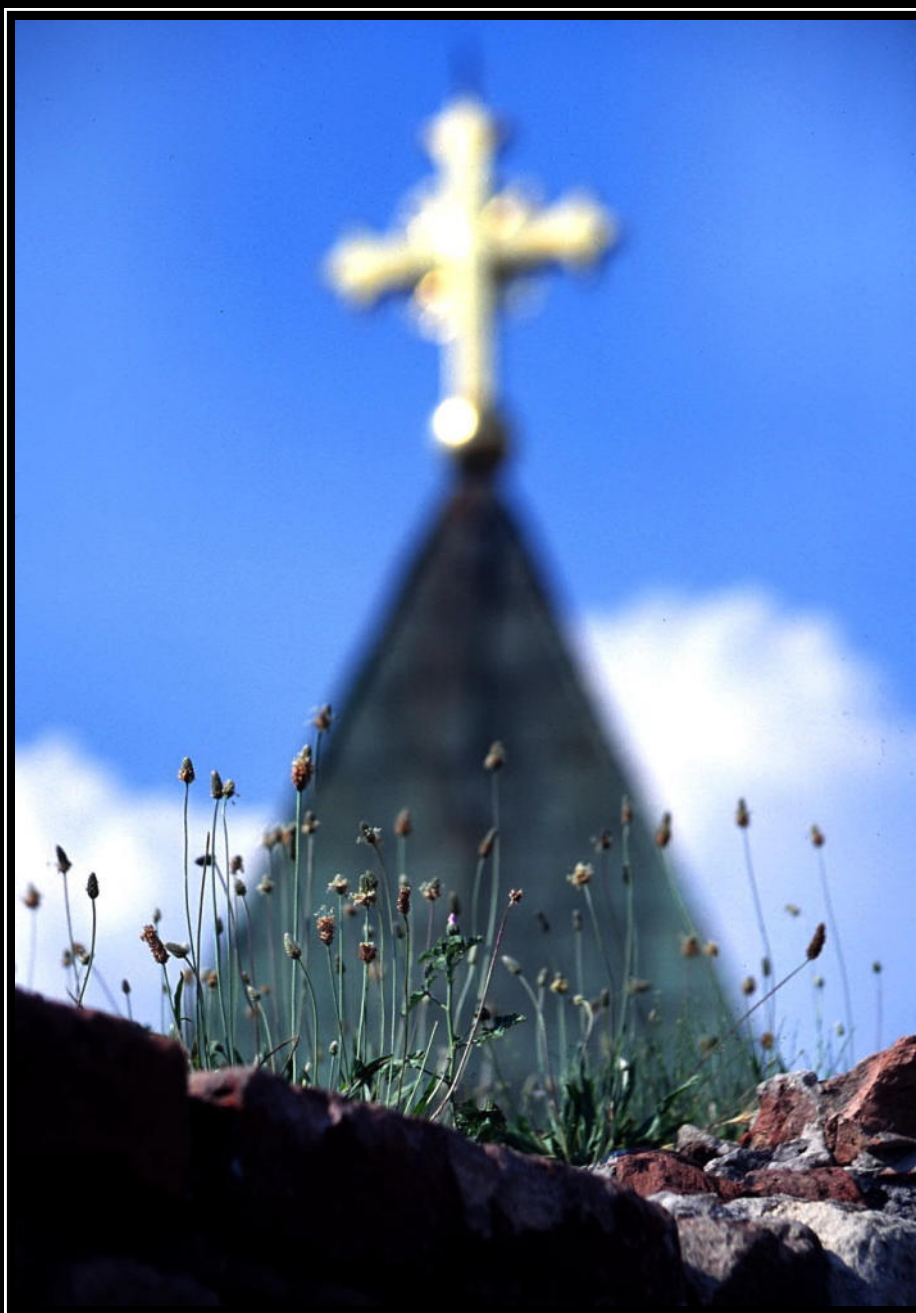

☺ Welcome to Serbia, where people want to forget the latest history and cultivate their tradition instead. ☺

*View on a hilly landscape west of Valjevo near the monastery of Pustinja (95 km SW of Belgrade) – June 2007*

☺ The book of your life has been written long ago. You decide how it has to be read. ☺  
Very old books, hard to read, are displayed in a shop's cabinet in the pedestrian zone of Belgrade - June 2007

© *Defeat all your doubts with your belief and you will even grow, where it seems to be impossible. ☺*

*Dandelion on the walls of the Kalemegdan Fortress, in the background the church spire "Little Rose" in Belgrade - June 2007*

☺ Take a look in the mirror every now and then. Be surprised how much there is still to discover. ☺

*Almost decayed facade of a house catches a glimpse of itself in a modern glassy complex in the centre of Belgrade – June 2007*

☺ Concentrate yourself with head, heart and hand on one thing and feel, how your soul is delighted. ☺

*A gammer knits for tourists on the commemoration hill of the sanatorium Slatibor (250 km SW of Belgrade) – June 2007*

© Seek for the similarities of your fellow men while enjoying your particularities. ©

*Fancy trimmed trees talk with each other in the Kalemegdan-Park inside the Tvrdjava-Fortress of Belgrade – June 2007*

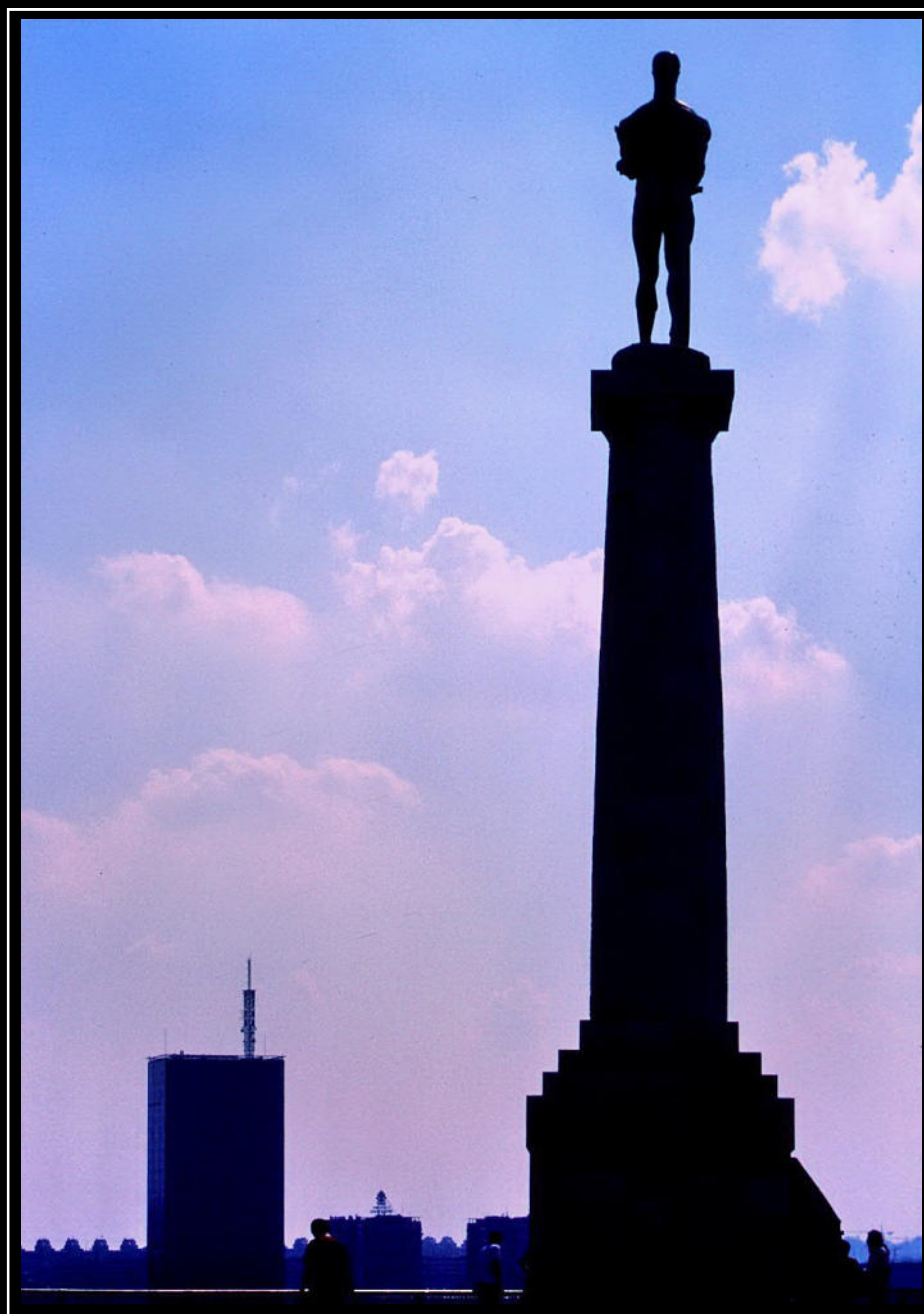

☺ Make use of every refreshing spring in your life. It brings you nearer to your constructiveness. ☺

*Fountain dance in front of the third largest orthodox church in the world, the Holy Sava in Belgrade – June 2007*

☺ If you want to be outstanding, you should first learn, to look up to others. ☺  
*The 'unclthed' winner, Belgrade's landmark, competes easy-going with modern skyscrapers – June 2007*

☺ Embrace nature and it will caress you with universal belonging and inner peace. ☺

*Idyllic scenery near Slatibor (250 km SW of Belgrade) – June 2007*

☺ Be the pilot of your life, as the sun rays will always accompany the courageous ones. ☺  
*Satisfied fisher during an evening boat trip on the river Save, shortly before it flows into the Donau near Belgrade – June 2007*

☹ Take great care of your open wounds. They withdraw a lot of energy from the here and now. ☺

*Ugly remnants of the NATO's air strikes in September 1999 amidst beautiful facades of houses in Belgrade – June 2007*

© Do not only trust your mind before the next move of you life, but also your gut feeling. ©  
*Lusty pensioners of Belgrade often spend the day with chess playing in the parkway of the Tvrdjava fortress – June 2007*

☺ Even during cold and dark days the flames of love give you enough power, warmth and light. ☺

*Flickering candles drop their wax inside the holy church Sava in Belgrade – June 2007*

© Whether man or woman, big or small – we all have the heart to be happy, content and tall. ☺

*Bonus-Picture: Energetic sculptures decorate some not destroyed mansions in the centre of Belgrade – June 2007*
