

ECUADOR

2005

*A photographic und philosophical journey through
the volcanic Ecuador and bizarre Galapagos,
where animals and nature live fearlessly
as millions of years ago.*

☺ "Welcome to Ecuador and Galapagos, where volcanoes and exotic animals enchant its people!" ☺

Endless vastness paved with 'punky' tufts of grass at the foot of volcano Cotopaxi (5.897 m, about 60 km south of Quito) – March 2004

☺ A new year waits for you. Discover your magic power, where light and warmth stream out of you. ☺

Explosion of sunrays with clouds drifting on a flight from Quito to Guayaquil – March 2004

☯ Stay modest. Even one straw of grass can offer you pleasure and satisfaction. 😊

One of the endangered specie of huge turtles on Santa Cruz (Charles-Darwin-Station – Galapagos) – March 2004

☺ Laugh again. In almost every situation you can find something cheerful and light. ☺

Joyful siblings on a road near San Pablo at the foot of mountain Imbabura (ca. 80 km north of Quito) – March 2004

☺ Show more often your unique and admiring sides. Unconventionality will be rewarded. ☺

Court shipping, dancing, shrieking, male blue-footed booby on Espanola Island (Galapagos Nationalpark) – March 2004

☺ Relax. Refill your energies. The bottom of nature offers you all necessary resources. ☺

Secret place of hills with sources of power and silence in Cotopaxi Nationalpark (ca. 60 km south of Quito) – March 2004

☺ If you smile out from your heart, your neat outlook is not of big importance anymore. ☺

Dressed up market woman at the famous Plaza de los Ponchos in Otavalo (ca. 80 km north of Quito) – March 2004

☺ Enjoy the beaches of your dreams and refresh yourself at their untouched banks. ☺

Wonderful, white and fine sandy beach at Tortuga Bay near Puerto Ayora (Santa Cruz - Galapagos) – March 2004

☺ Take a break. Who has done a lot, is allowed to yawn loudly without a bad consciousness. ☺

Relaxing sea lion male during a sunset walk on the cliffs of Plaza Sur (Galapagos Nationalpark) – March 2004

☺ Look at the landscape of your soul. It will always be formed from all tides till your last breath. ☺

Beach of dreams with bizarre, black volcano stones at the coast of Floreana (Galapagos Nationalpark) – March 2004

☺ If you want to mature further, you might have to leave another piece of you behind. ☺

So called tree tomatoes in Aja's Garden at the foot of lake San Pablo (ca. 80 km north of Quito) – March 2004

© Cover yourself with forms, colors, patterns, in which your body, mind and soul feel comfortable. ©

Colorful cloths invite tourists to be hungry for souvenirs on the market of the Otavalo-Indians - March 2004

☺ Stop for a second. Each moment of your life is worth it, before you let it move on generously. ☺

Painting of clouds full of fantasy above Cotopaxi during an evening stroll around Quinta Colorada (near Toacaso) – March 2004

☺ Strive for your future goals in the distance without forgetting the beautiful frame of the presence. ☺

View on the 6.310 m high Chimborazo in the Parque 21 de Abril in Riobamba (ca. 175 km south of Quito) – March 2004

THANK YOU

for your

TIME
