

ON THE ROAD

2023

A photographic and inspiring journey of regions and cities that invite you to different facets of traveling and being on the go, that spoil you with enjoyment, muse, culture and nature.

☺ Be on the go. Enjoy landscapes adorned by lakes, rivers and mountains as well as cities that are brightly painted with works of art and buildings. ☺

The Rakotz Bridge in the Rhododendron Park near Kromlau in East Saxony is a world-famous photo motif with acute danger of circular collapsing - July 2022

☺ A partnership succeeds when both are gliding in the same direction on their own tracks. ☺

A perfectly groomed cross-country ski trail near Mittelberg (Kleinwalsertal) glitters in the sun whilst heart and body rejoice in rhythmic gliding - March 2022

☺ Enjoy the colorful culinary variety that Mother Earth gives you every day. ☺

I couldn't wish for a healthier morning thanks to the creative, visually appealing and delicious breakfast at Kaffee Freunde Berlin - July 2022

☯ Higher doesn't mean better. Wider doesn't mean nicer. Find your balance as you grow. ☺

The largest and probably most modern high-rise district of La Defense in Paris is an ingenious feast for architects and artists, less for botanists - Aug. 2022

☺ Experience the silence, tranquility and grandeur of the divine in a nature untouched by humans. ☺

The picturesque and idyllic Freibergsee near Oberstdorf invites you to swim, hike and ski fly; if you dare - August 2022

☺ It is entirely up to you how bright and colorful you imagine your life to be. ☺

Les Bouquinistes along the quay walls of the Seine in Paris have not been able to live on their literary antiques alone for 350 years - August 2022

☺ Even with a bent back you can still grow into the sky. ☺

The Shire of the Oder near the border town of Gorgast to Poland is not only for hobbit friends an oasis of peace and quiet - July 2022

☺ With what rays do you illuminate the planet?
When was the last time you looked at the full moon in silence? ☺

If you see the Eiffel Tower embracing the full moon in Paris or vice versa, then in the city of love all you need is... ;-) - August 2022

☺ Make your heart sing and let love kiss you. ☺

In addition to the beguiling scents of roses, the Seepark in Prenzlau also offers unusual oases of artistic creativity - August 2022

© The cycle of nature and life always gives us the most beautiful colors and shapes. ☺

The Mannheim lido at Rhine kilometer 420 is an oasis of relaxation and reflection all year round, except on weekends ;-) - November 2022

☺ Build on the experiences in your life that have given you stability and keep them in your heart. ☺

The artful gallery of cairns along the Breitachklamm in the Kleinwalsertal invites you to linger for a while - August 2022

☺ We can never replace the natural beauty of a rainbow,
but we can make the world a little more colorful every day. 😊

The impressive film and light projection "From the Reichstag to the Bundestag" in Berlin's parliament district captivates many tourists every day - Aug. 2022

☺ From time to time look at your life from a lofty height in order to gain new findings and insights. ☺

The always overwhelming Alpine panorama view from the Nebelhorn (2.224 m) encourages you to "attack" the possible hiking routes - August 2022

☺ Go calmly and confidently through the roller coaster of life - step by step. ☺

Bonus-Pic: The Tiger & Turtle Magic Mountain near Duisburg is a a roller coaster, walkable large sculptur; especially for courageous ones – June 2022
