

AT HOME 2024

*A photographic and inspiring journey to places
that make you feel at home,
because they satisfy your need for
security, belonging and peace.*

☺ Feel at home. Be welcome in places where you will find familiarity, well-being, safety, security, joy, silence and amazement. ☺

The Rhine near Mannheim seems unsure in which direction it should flow after humans are increasingly robbing it of water - June 2023

☯ Deviate from the linear path if you want to experience adventure and liveliness. 😊

The Reißinsel in Mannheim Forest Park, which has been declared a nature reserve, is a small oasis for long walks - December 2023

☺ When the world is upside down, you can immerse yourself, turn around confidently or simply marvel. ☺

The new town hall of the city of Leipzig and other renovated buildings are reflected in the water of the Fritz-von-Harck-Complex - March 2023

☺ Despite technological straightforwardness, humans will never defeat the creative power of nature. ☺

The planes circling around Stuttgart Airport seem to take no notice of the beauty of the sky here in Dagersheim - August 2023

☺ You wouldn't believe the immense potential that still lies dormant within you. ☺

A fern in the Luisenpark tropical house during the BUGA in Mannheim knows exactly what wonderful things it still will become - August 2023

☹️ Anyone who is constantly looking into the distance misses the lightness and carefreeness of the here and now. 😊

A sculpture in the Schwetzingen castle garden that probably dates from another century remains immobile in the water - July 2023

☺ What are you waiting for? Dive into the crystal clear water and refresh your body, mind and soul. ☺

One of the many small private entrances in the large bay of Santa Ponca on Mallorca is just waiting for you - October 2023

☺ Choose the branches in your life that have been given to you, with an intuitive mind. ☺

The unique forest around Lake Eibsee in the Zugspitz region invites you to go hiking or talk to the hobbits - August 2023

☺ It's high time to jump into a lake at sunset and go for a swim. ☺

The Kollersee near Speyer is one of countless, beautiful swimming lakes fed by the Father Rhine near Mannheim - September 2023

🌀 Discovering oneself means discovering stillness and introspection. 😊

A small niche in the Mannheim BUGA's Spinelli quarter promises informative relaxation or a creative surprise - July 2023

☺ Development and growth require both: following other people's paths and your own. ☺

At the summit of the Osterfeldkopf at almost 2,000 m, it is worth taking a look back at Garmisch-Partenkirchen or towards the Zugspitzplateau - August 2023

☺ You are the master builder of your life. Put together the elements you need for it. ☺

On Mannheim's Reißinsel you can always find artistic expressions from people who find harmony with nature - August 2023

☺ Every turn has its charms and presents its dangers. To find out, you have to ... ☺

Only locals understand the different shapes and materials and therefore functions of barriers in the East Frisian town of Norddeich - April 2023

☺ Sit on a big, fat, white cloud every now and then in the coming year and look at the world with serenity and a contented smile. ☺

Bonus image: A never-before-seen cloud formation brings Mannheim a summer temperature drop of 20 degrees - July 2023
